

2007 BOAT PERMIT GUIDELINES

Dear Boater(s):

Welcome to the Boulder Reservoir! First I would like to start off by letting you know that the reservoir has a new Manager. A national search led us to hire a very excited and experienced "Jay Sanford". Currently, Jay works with the City of Phoenix supervising their aquatics program. He has experience managing open water and is very excited to get started at the reservoir. Jay will begin in March so please don't hesitate to stop by or give a call to welcome him.

Next, this year promises to be sunny and fun so don't hesitate purchasing your 2007 season pass. We know when you arrive you want to get right on the water so we encourage you to buy your permits and season passes early. Here are some easy options:

1. Completed applications can be mailed to City of Boulder, Parks and Recreation Department. You may use your credit card to purchase your pass. Available through June 1.
2. Beginning April 2-June 1, purchase your pass in person at the Boulder Parks and Recreation Administrative Office at 3198 Broadway. From 8 a.m.-1 p.m. and 2 p.m.-5 p.m.
3. Beginning May 12 through June 8, purchase your pass **in person** at the Boulder Reservoir front gate 12 to 6 p.m. daily. After June 9 see schedule on page 4 for front gate hours.

2007 Boat Permits are required any time the front gate is staffed. See page 4 for a complete schedule. Full services are typically provided Memorial Day to Labor Day. Before or after that period of time, Reservoir use may be limited and no scheduled lake patrol, or other services will be provided, all rules and regulations must still be followed. Boating may also be restricted due to special events. Before Memorial Day and after Labor Day the Reservoir reserves the right to charge admission fees at any time. Whenever the gate is staffed, regular admission fees will be charged to anyone coming into the Reservoir (this includes runners, bikers, walkers, and of course any vehicles and boats).

- **NEW IN 2007:** When you purchase a boat permit you will be given 2 splash passes, see page 2 for more details!
- Quiet time for 2007, water-skiing is prohibited on Tuesday, and Thursday, 6 to 8 a.m., and all powerboats must be wakeless during those periods, with the exception of special City-sanctioned activities and lake patrol boat operations.
- Help us keep invasive species away! When your boat has been in different lakes, you must wash it off at home, prior to entering the Boulder Reservoir property.
- The Northern Colorado Water Conservancy, supplier of Boulder Reservoir's water, may lower the Reservoir's water level for irrigation purposes. This may commence at any time throughout the summer season, depending on water needs of customers. No plans have been communicated to the City for lowering the water levels to inspect the outlet in 2007. The City of Boulder cannot guarantee water levels. Refunds will not be made due to water levels.

We hope you will find all the information you need regarding this years rules and regulations and permit requirements. We look forward to seeing you this summer enjoying the beautiful *Boulder Reservoir*.

Sincerely,

Colleen Fitzgerald
Acting Reservoir Manager

MOORINGS AND WINTER STORAGE

	<u>Resident</u>	<u>Non-Resident</u>	<u>Definition</u>
Wet dock	\$500. 00	\$700.00	Power or sailboat moored on the water starting the weekend of May 26 through September 3, 2007. All boats must be moved to a trailer spot by September 16, 2007, through May 23, 2008.
Dry trailer	\$375.00	\$525.00	Power or sailboat on a trailer parked in various areas designated by reservoir staff May 26, 2007, through May 23, 2008.
Shore moor	\$225.00	\$325.00	Non-powered boats on shoreline in mooring areas May 26, 2007, through May 23, 2008.
Winterstore only	\$350.00	\$350.00	Storage at Reservoir on trailer September 4, 2007, through May 23, 2008; available beginning late-August.
Overnight Storage	\$25.00	\$25.00	Individual night storage of boat on trailer in trailer lot, based on availability.

All moorings are sold on a year-round basis, from 5/26/07-5/25/08, regardless of actual purchase date or usage levels. The exception is 'Winter storage only'. No refunds will be issued for wet moorings moved to trailer spots after June 1, 2007, for any reason.

Please note when purchasing a boat mooring you will be given two stickers with the same number on each. One sticker must be placed on left boat hull next to the CL number. The other sticker must be placed on the tongue of the boat trailer.

The following must be submitted without exception before a power boat or sailboat permit will be issued:

- ☐ 2007 Colorado Boat Registration Card (or a copy of the front). State boat registration phone number is 303-791-1920. Sailboards do not have to be registered with the State of Colorado. Please visit the Colorado State Parks website at <http://www.parks.state.co.us> for more information.
- ☐ Proof of Residency - Three types of identification verifying Boulder residency:
 1. Current Colorado Driver's License showing a Boulder address (copies only);
 2. Current boat registration with your Boulder address;
 3. Current utility bill (Xcel Energy, Qwest, Boulder water bill), or a current tax statement mailed to your Boulder address. Resident status will be examined closely. Any false representation will result in the immediate cancellation of your permit at any time during the season.
- ☐ Proof of Insurance (to be kept on file). See "Affidavit of Insurance" form. NOTE: a new insurance affidavit is required each time you apply for a permit. Sail driven crafts do not require insurance.

New and Exciting in 2007!

I hereby apply for a permit to operate and/or moor boat/sailboard on Boulder Reservoir for the year of 2007, and is **required** to sign the Permit Agreement on the back of this document.

BOULDER RESERVOIR BOAT PERMIT AGREEMENT

I/we hereby agree to obey the rules and laws of the City of Boulder and State of Colorado applicable to boating and use of the Boulder Reservoir. I/we also agree to indemnify, defend, save harmless the City of Boulder, its officers, agents and employees from all claims or demands of any kind of nature for injury or damage, either to myself, my guests, or to other persons, or to my property or the property of others, arising out of or in connection with the use and operation of my boat or boats on the Boulder Reservoir.

1. In applying for this boat and/or mooring permit, I understand that:
2. Water is stored in the Reservoir for irrigation and municipal water uses, and its level fluctuates frequently. It is my responsibility, and not that of the City, to take these changes in water level into account when operating my boat on the Reservoir, launching or retrieving it from the Reservoir, or mooring it at the Reservoir. The City will not refund any part of my boat or mooring permit because of low water on the Reservoir.
3. This permit allows me to operate my boat on the Reservoir on a year round basis during the permit year. Please see the Boulder Reservoir Season Calendar for a complete schedule. The City's present practice is to close the Reservoir to boating during certain special events. Boats are not allowed to be moored on the Reservoir before approximately mid-May and after September 16 each year. Boating may be restricted at any time.
4. The City of Boulder is not responsible for the safekeeping of my boat or other property at the Reservoir, or for damage to the boat or property by reason of fire, flood, storm, wind, water, theft, vandalism, or otherwise.
5. The Owner agrees to pay the application fees before mooring, docking, or storing the boat at the Reservoir, and further agrees to pay the City the following liquidated damages before removing the boat from the Reservoir if the boat is moored, docked, or stored beyond the time permitted. Wet docked boats not removed by the owner from the water by September 16 are subject to a \$10 per day fee until October 1, 2007, and an additional \$25 if the City removes the boat from the water thereafter. The owner further agrees that the City may padlock and retain the boat until these damages are paid.
6. To transfer boat permit from one boat to another requires a \$10 transfer fee. The old permit must be brought in for the exchange.
7. Lost or stolen boat permit stickers will not be replaced - no exceptions
8. REFUND POLICY After 3 days NO REFUND

I agree to obey the rules and laws of the City of Boulder and State of Colorado applicable to boating and use of the Boulder Reservoir and I recognize the failure to obey laws and regulations may result in the suspension or revocation of this permit and the attendant right to operate this boat on the Reservoir and of the right of entry onto the Reservoir represented by the season Reservoir passes issued in conjunction with this boating permit. Understanding these restrictions, limitations, and conditions upon my use of this boating permit and the related season Reservoir passes, I knowingly apply for the boat permit specified in this application.

If the boat is owned jointly, all owners must sign.
